

Give Where You Live

Eugene Profit and Profit Investment Management

Founded in 1996, today Profit Investment Management manages nearly \$2 billion in assets, making it one of the largest African-American-owned wealth management companies in the nation. As Founder and CEO, Eugene Profit has also fostered a commitment to giving back throughout the company.

In 2006, he established the Profit Charitable Foundation at The Community Foundation to support educational opportunities for low-income youth as well as other cultural programs. This year, Eugene and the Profit team found a fun way to take the company's philanthropy to a new level.

At its First Annual Golf Classic on October 3rd, Profit Investment Management is bringing together its clients, corporate partners, and friends in support of Blessings in a Backpack and Sharing Montgomery. Blessings in a Backpack is a school-year round program that provides a weekend supply of food for elementary school children from low-income families whom rely on the free & reduced meals that they receive during the school week. Sharing Montgomery is a strategic funding effort of The Community Foundation focused on the needs of low-income children, families, and seniors in the County. Stewarded by donor-led grants committees and The Community Foundation staff, Sharing Montgomery makes grants to support some of the best community-based nonprofits serving our most vulnerable neighbors.

As Eugene explains, "At Profit Investment Management, we gain deep satisfaction from knowing that our charitable gifts are providing critical resources to disadvantaged kids right here in our community."

The "Give Where You Live" Corporate Honor Roll is sponsored by The Community Foundation for Montgomery County, an affiliate of The Community Foundation for the National Capital Region. The Community Foundation for Montgomery County encourages individuals, families, and businesses to support the causes they care about most—especially here in our community.
