

Give Where You Live

Sandy Kursban and Family & Nursing Care, Inc.

During the past 42 years, Family & Nursing Care has not only grown into the area's leading and most highly regarded resource for home care, but also into one of its most charitable givers. Sandy Kursban founded Family & Nursing Care in 1968 with the goal of finding dedicated help for those who wished to remain independent, but could not do so without assistance. Sandy also made sure that charitable giving – one of the company's key Guiding Principles – became an integral part of the company culture and included regular contributions to the community through support, time, and donations.

While thousands of families have turned to Family & Nursing Care in times of need, Sandy knew that many seniors live on a fixed, low income and are unable to afford home care. In 2008, she decided to give back further by creating the Family & Nursing Care Foundation, a fund of The Community Foundation, to address this critical need. This spring, Family & Nursing Care proudly announced the Foundation's inaugural grants to Community Ministries of Rockville and Home Care Partners, Inc., non-profits that provide low-income seniors with the dedicated home care they need to remain in the safety and comfort of their own homes.

"Improving the quality of life for low-income seniors, many of whom are unable to afford the kind of care they need and deserve, is the reason I started the Foundation," explains Sandy. "I feel confident that by supporting these two groups, a very important need is being addressed."

The "Give Where You Live" Corporate Honor Roll is sponsored by The Community Foundation for Montgomery County, an affiliate of The Community Foundation for the National Capital Region.
